MONUMENT

"The Monument," the title of Bennington Catholic High School's yearbook, embodies in itself the reason for the very existence of our school. The school is a monument, a monument to God. It is a standing memorial to the honor and glory of God and to religious, educational and personal training of His children.

The perfection acquired, the merits obtained, the lessons learned within its walls, may truly be worthy of becoming the Monument of God in everlasting praise of His name.

FOREWORD

An historic theme has been chosen for our '66 MONUMENT. As our town has struggled to reach its present status, so has our school. We have worked hard combatting our problems as we progressed.

The first residents of Bennington were God-fearing men who faced hardships every day. With great initiative, they laid the foundation for what is now our thriving Community.

Just as we took the place of our predecessors, so will a new generation replace us. The decisions we make and carry out today will be as pages written in history.

This yearbook will live on—the seventh volume—commemorating the history of B. C. H. S. 1965—66.

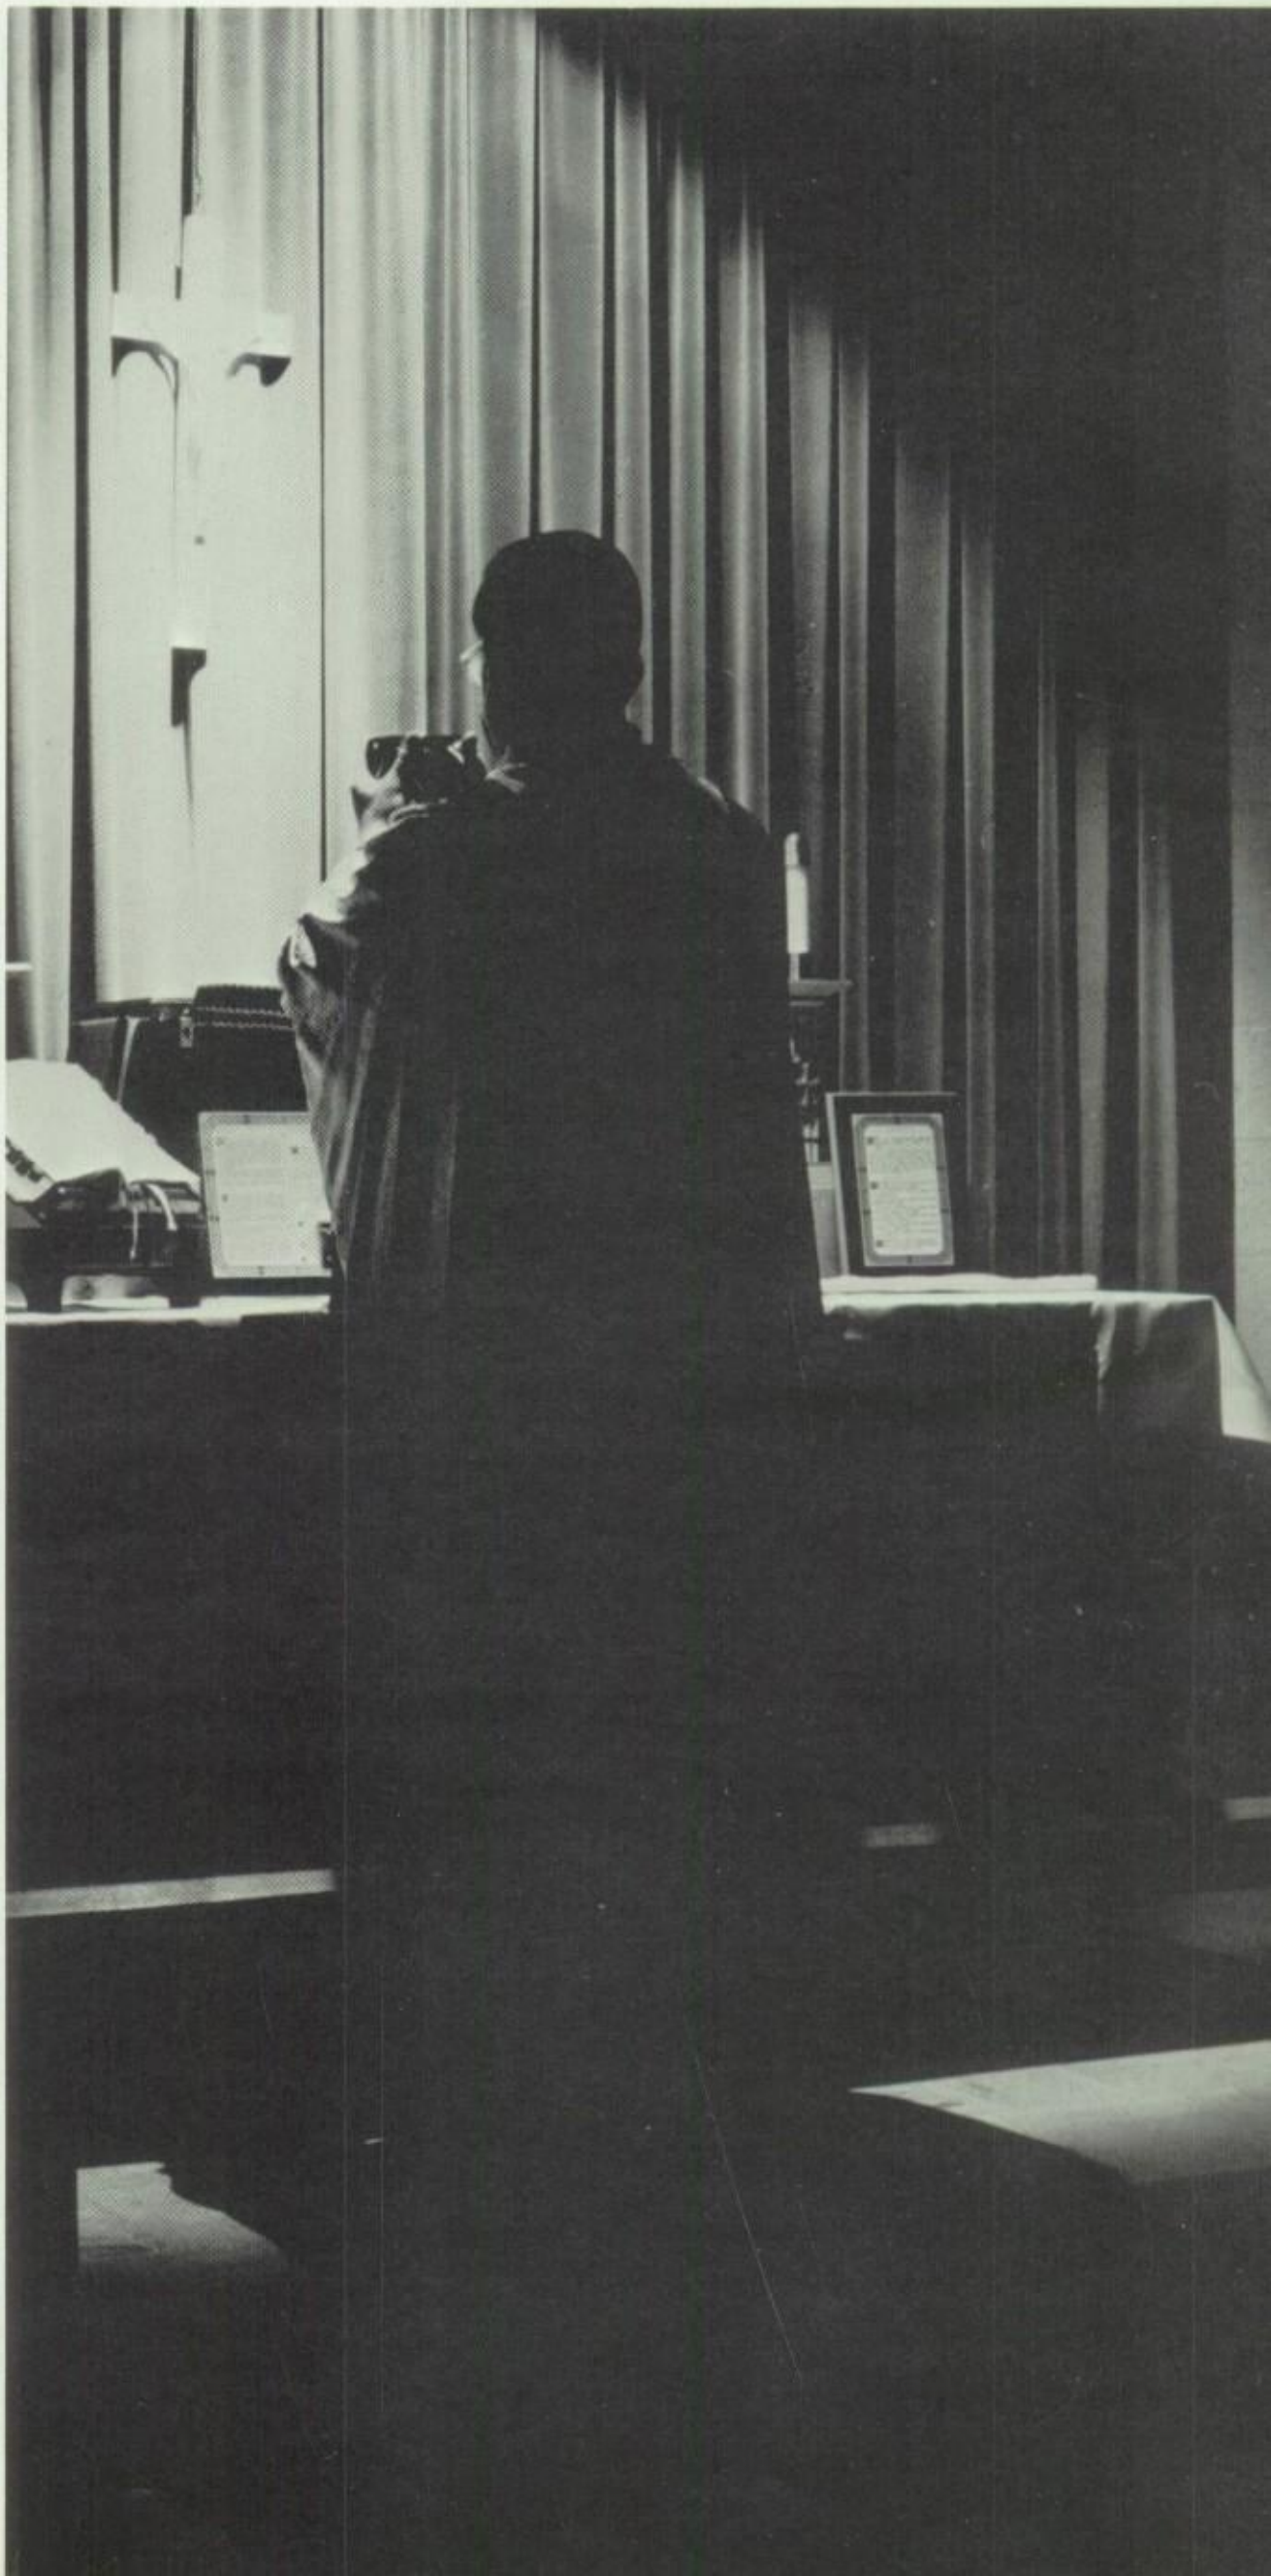
WE DEDICATE THIS YEARBOOK

To Father Spinelli

"O God, who, by raising him to the dignity of Priest, gave your servant Father Vincent, a place in the priesthood of the Apostles, grant, we beseech you, that he may be joined in fellowship with them forever through Christ Our Lord."

Collect prayer
for a priest.

The quotes on the following pages are taken from the Eulogy given by Reverend Gerard Brennan at St. Francis de Sales Church.



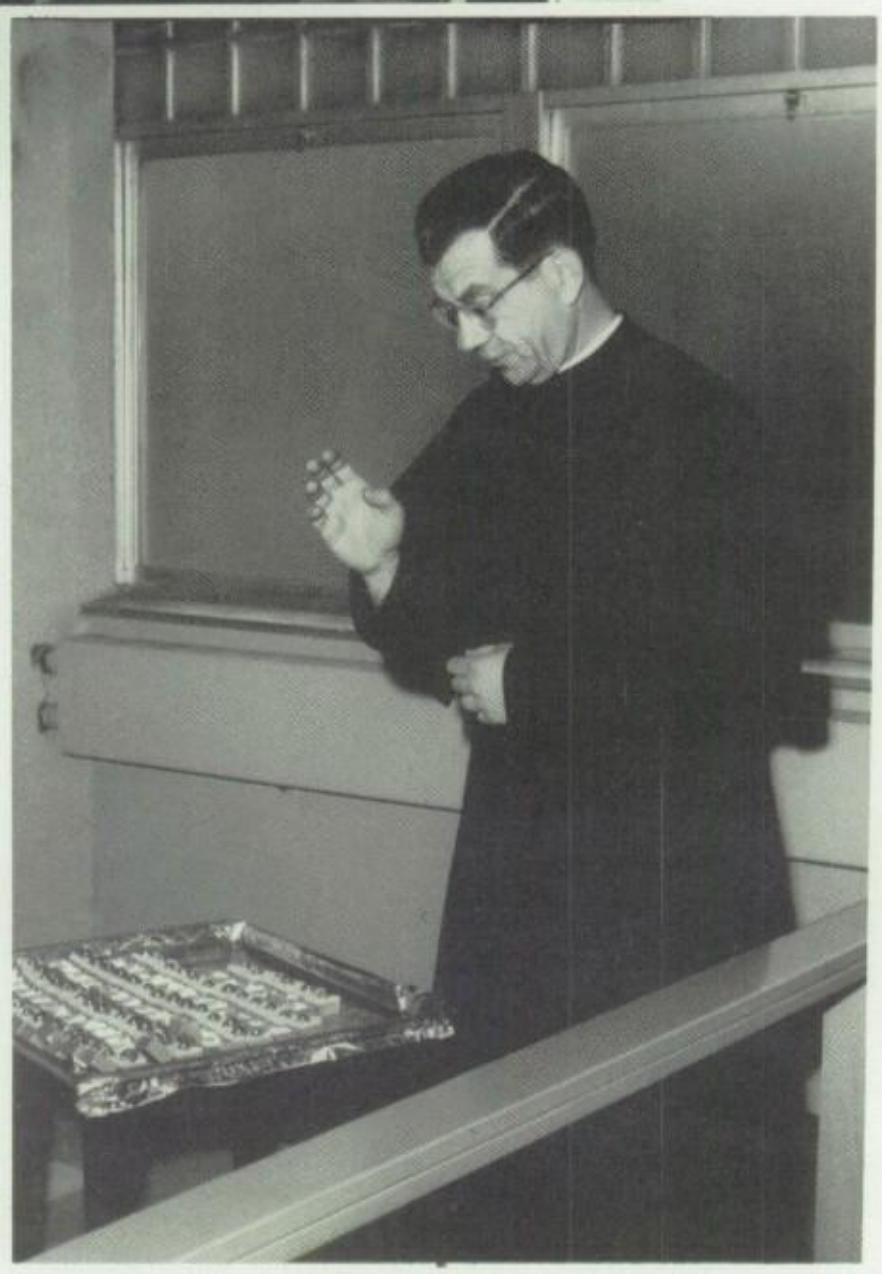
Who Was Himself Dedicated

"Father Spinelli was a man of many virtues, he was a true scholar in his own field . . ."

". . . he was a man of firm Christian discipline with a compassion and heart as large as his size."

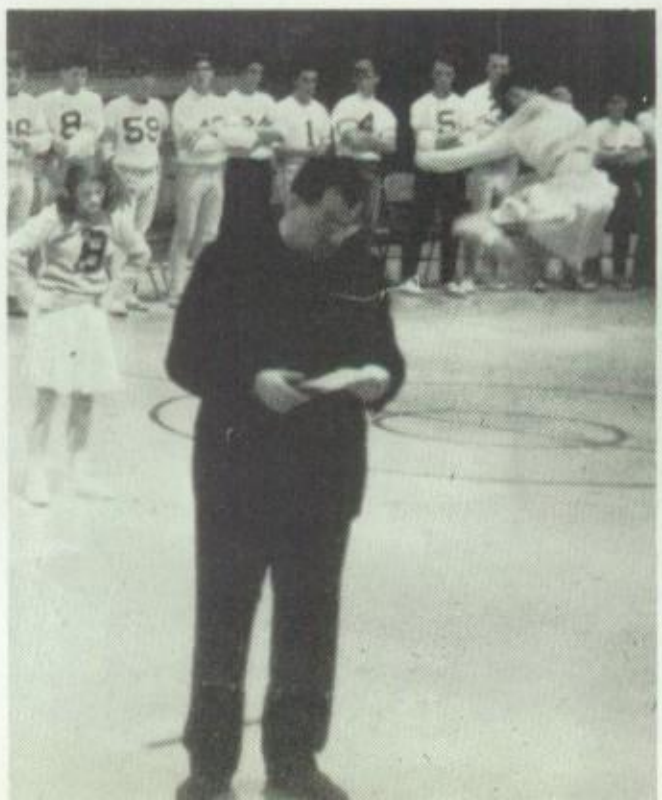
"This was his priestly life . . ."

". . . the service of God's youth in this community"



"He died as he lived, and I am sure as he preferred in the fulfillment of his duties as a priest and as the principal of B.C.H.S., dedicated to the continued improvement of that school for which he was responsible before God; and in the service of the youth he loved so deeply."

"I am the resurrection and the life. He who believes in me even if he die, shall live, and whoever lives and believes in me shall never die."



"His example of loyalty . . . will permeate the walls of B.C.H.S."

"He did believe and serve and he shall always live . . . in the eternal peace and love of God . . ."

". . . and in the hearts of all of us who knew and loved him."

In the 4th Annual Session of the Second Vatican Council, the Church was enriched with four Constitutions, nine decrees and three declarations.

The Constitutions are those on the liturgy, the nature of the Church, divine revelation, and the Church in the modern world.

The decrees are those on social communications, ecumenism, Eastern Catholic Churches, pastoral duties, of bishops, renovation of the lives of religious men and women, seminaries, and lay apostolate, missions, and the priestly life and ministry.

The declarations are on the relations of the Church with non-Christian religions, Christian education, and religious liberty.

Rt. Rev. Francis B. Flanagan, D.P., V.F. was General Chairman of the Liturgical Weekend held at B.C.H.S. March 11-13.

On February 13th Joe McDonough died suddenly. We were deeply saddened by this loss and will remain forever indebted to him for the example of charity, zeal, and dedication that he gave to all of us who knew him.

'Leading Us Over Rough Waters'

FACULTY

A bridge is a symbol of strength and dependability. Its purpose is to span the waters of a stream to allow safe crossing.

The B.C.H.S. faculty represents the bridge of our school. Working as one, our teachers prepare us for what lies ahead, thus enabling us to successfully pass over the difficulties of our high school years.

This old covered bridge is another historical landmark in Old Bennington.

A Visit to the Museum

The Faculty of B.C.H.S. is pictured on these pages while on a visit to the Museum in Bennington. The historical background of the area is reflected in the various collections herein. We acknowledge the cooperation of Mr. Richard C. Barret and his staff for allowing us to use the museum as an interest spot for our pictures thus aiding us to enlarge on our historical theme.

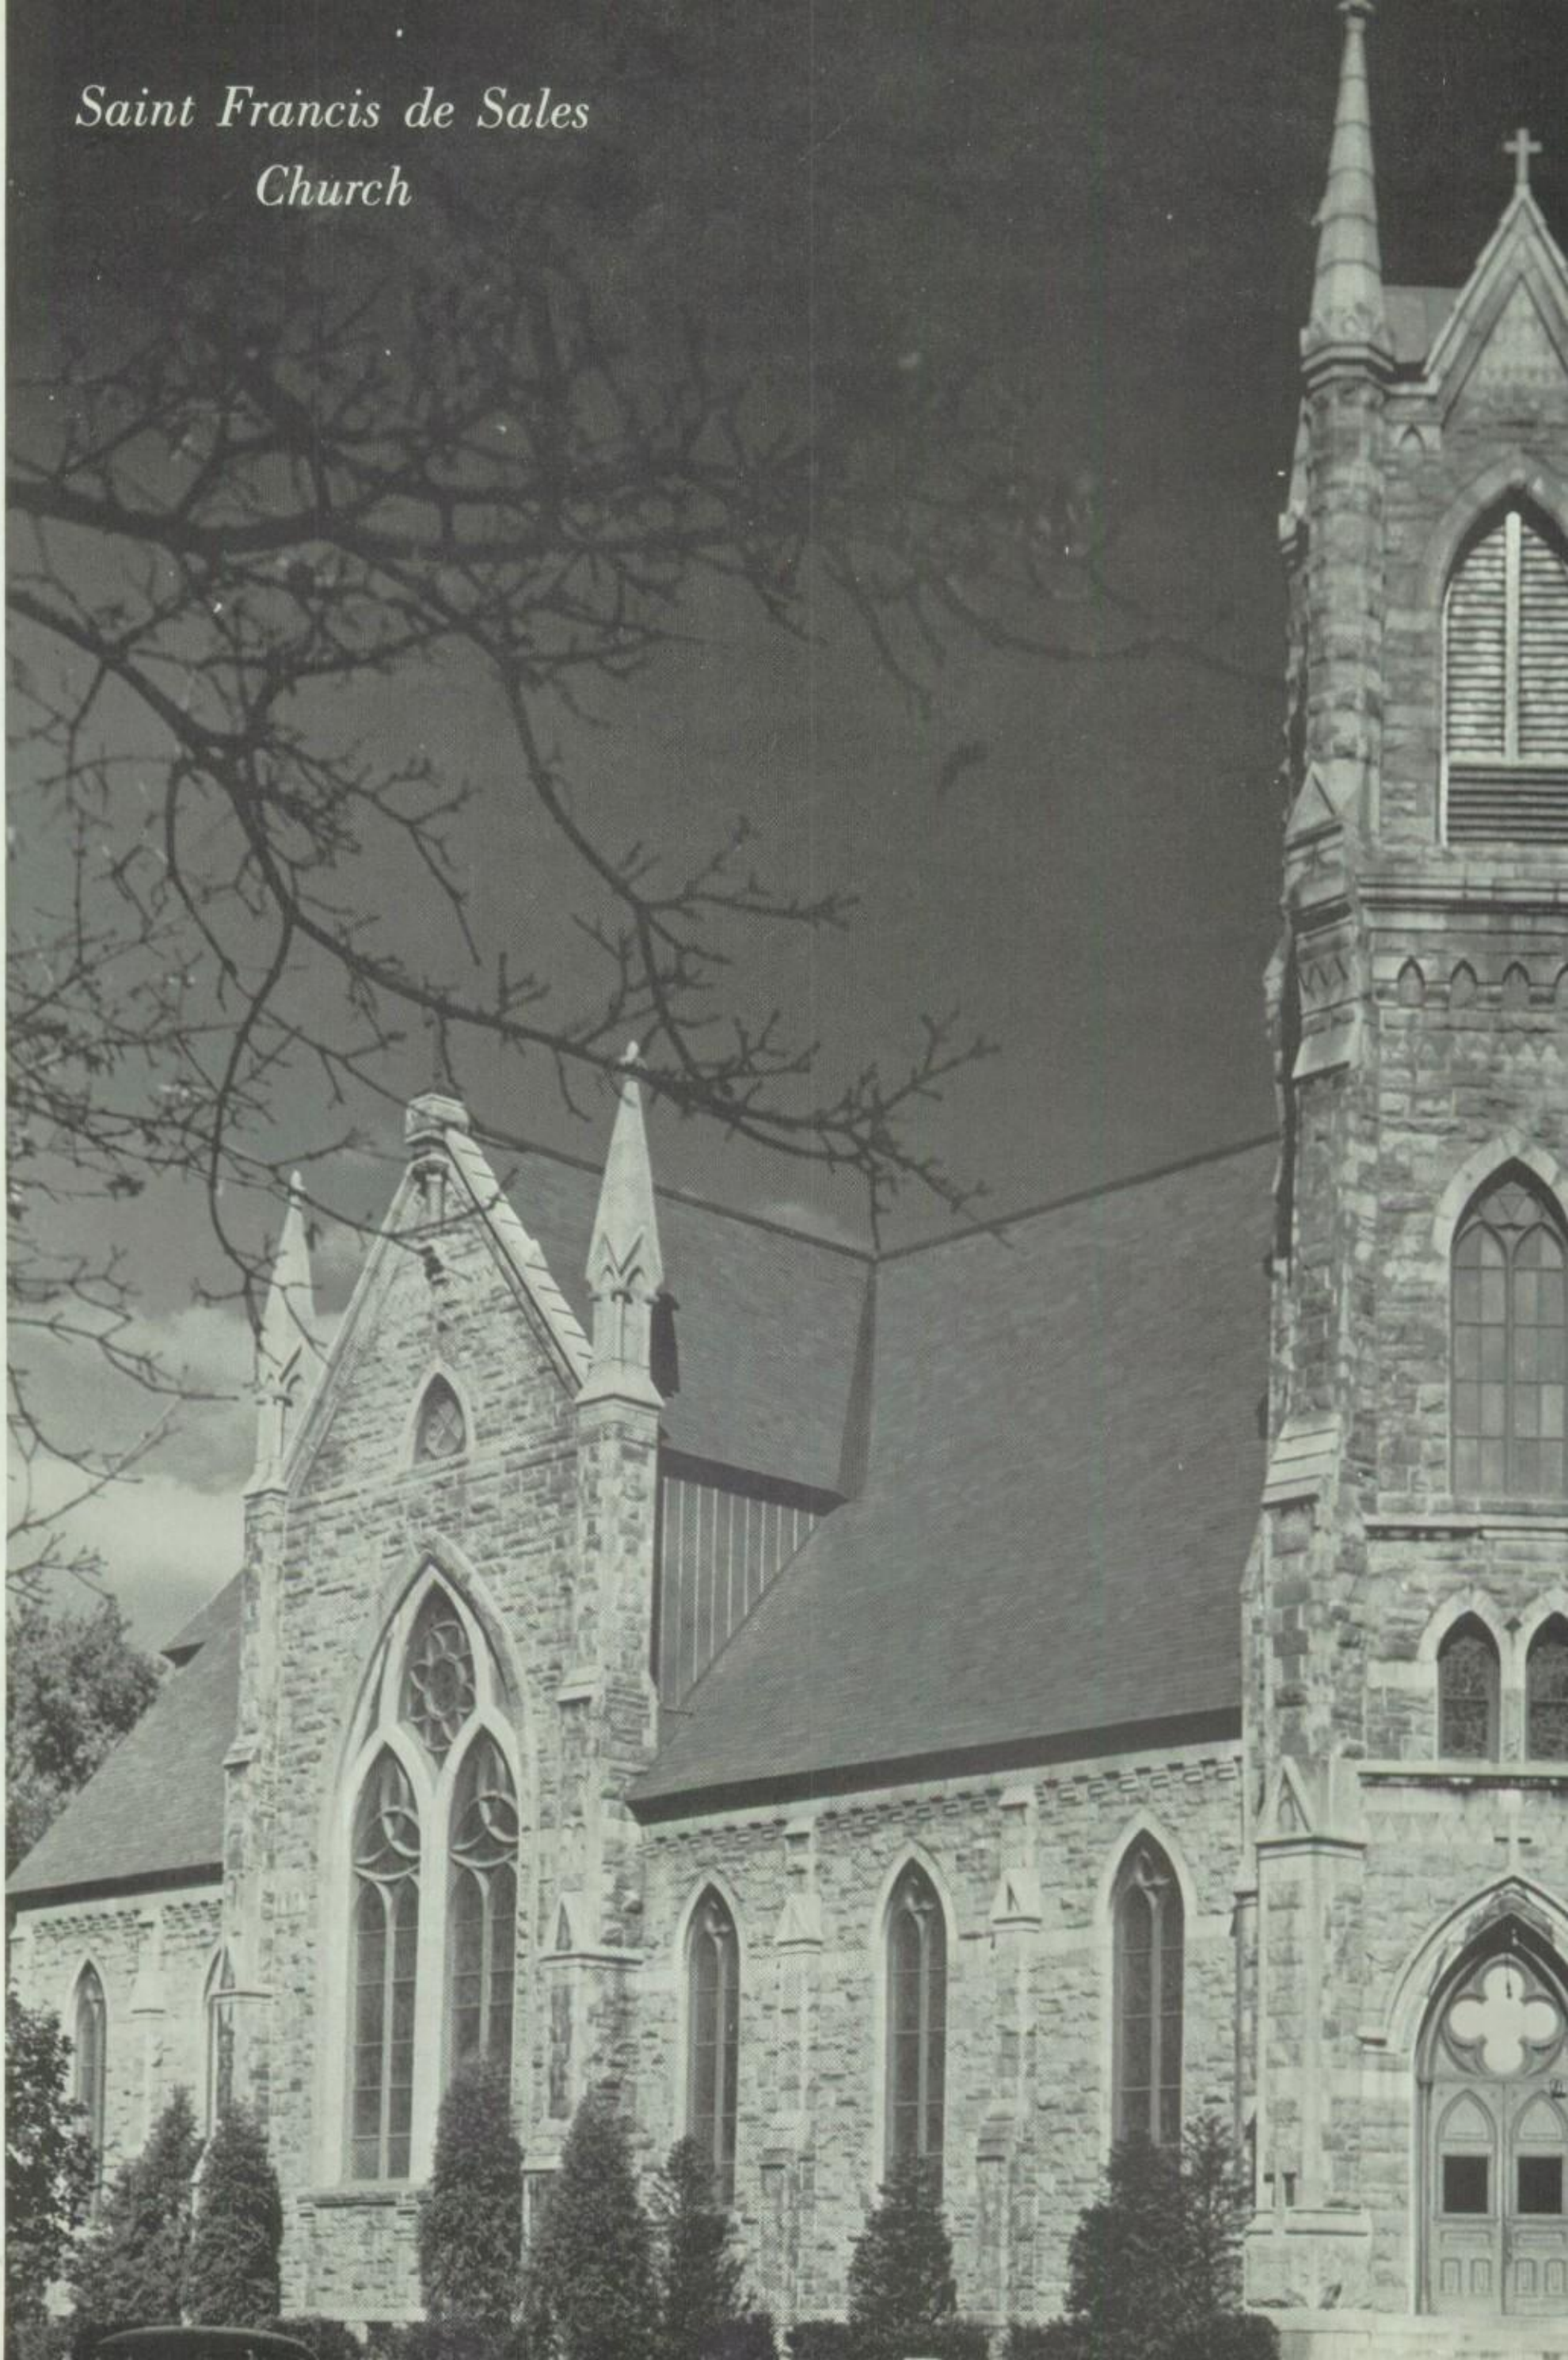
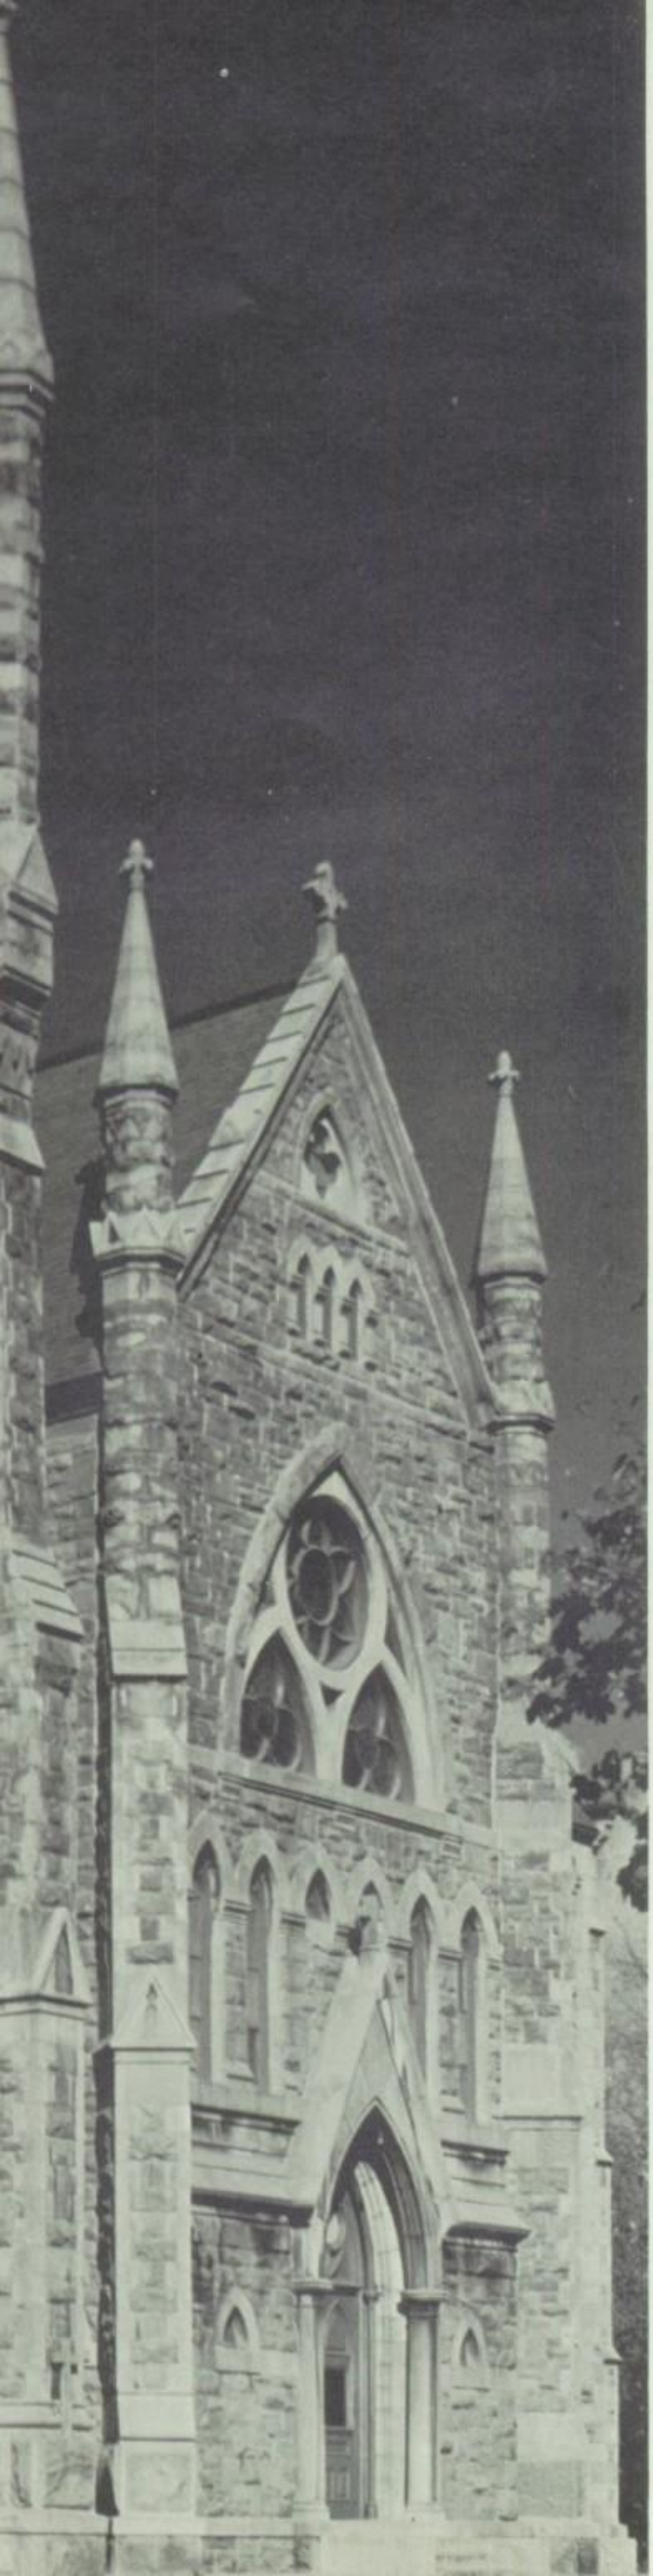
Saint Francis de Sales
Church





SENIORS

The first Roman Catholic Church in Bennington was built in 1854, about three-fourths of a mile west of the village and is the site of the present museum. The cornerstone of the present church edifice was laid July 4, 1889, and the first high mass was celebrated here on Easter Sunday, 1892. Today's pastor is the Right Reverend Monsignor Francis B. Flanagan.

Sacred Heart of

Jesus Church

SENIOR ACTIVITIES

In 1880 the French Catholics were organized into a congregation and prior to that time French fathers occasionally came to administer to their spiritual needs. Rev. J. F. Audet was the first priest to make this his residence. For two years Mass was celebrated in the basement of the Noyes Building on Main Street. In 1883 a church was erected on School Street, under the name of the Sacred Heart of Jesus. The present pastor of Sacred Heart is Rev. Joseph F. Wiseman, C.S.C.

Dear Graduates,

Four years ago you crossed the threshold of this school for the first time. Four years seemed to be an eternity then. Now as you reflect upon this phase of your life, you realize that those four years passed rather quickly. Another more personal reflection may come to mind. "How were those four years spent?" I hope this question can be answered with a sense of pride.

If you can take your place in society with firmer step, clearer vision, but above all, greater love for mankind as a result of your education, then you can leave us with your head up high and a deserving "well done" echoing in your ears. You can continue to expand your capacity for love and truth because you have a firm foundation upon which to build. You have proven that you are not afraid of hard work; you are not burdened and blinded with excessive selfishness. And your efforts will continue to be rewarding because you have learned a profound lesson these past four years, a lesson which will repeat itself wherever you go, that "it is in giving that you receive."

I bid you a fond farewell and I do so with confidence that you will not deliberately and foolishly betray the ideals set for you by your family and your school; ideals which are an expression of the ideal given you by God Himself, "love one another as I have loved you." As you cross our threshold for the last time, my prayers and best wishes will follow you, as well as my assurance of a warm welcome whenever you return to what is now your Alma Mater.

Sincerely yours in Christ,

Th. Swertz

ACTIVITIES

The Little Flower Convent was the former residence of Henry W. Putnam. The Sisters of St. Joseph lived there for a number of years and conducted St. Joseph's Business College.

In 1963 the Sisters moved to a new location across the street and the convent was torn down. Due to an increasing number of students a new college was erected in Old Bennington.

The Catamount

SPORTS

The Catamount marks the Catamount Tavern site. Eight taverns successfully entertained the public traveling through Bennington. But the Catamount Tavern is historically significant, since it was the meeting place of Ethan Allen and the Green Mountain boys, who fought the British and helped win independence for American colonists. The Catamount Tavern burned in 1871.
